

REMARKS

The specification has been amended to incorporate the sequence identifiers pursuant to 37 C.F.R. § 1.821(d) and the Sequence Listing pursuant to § 1.821(c), and to renumber the pages of the claims accordingly. In addition, page 51, line 3, has been amended to correct a minor typographical error in the amino acid abbreviation for leucine (L). This correction brings the description of this amino acid subsequence into agreement with its correct description in FIG. 12 (SEQ. ID NOS:19 and 20). The above-made amendments do not constitute new matter under 35 U.S.C. § 132.

Applicants respectfully submit that the above-made amendments be made of record in the file history of the instant application.

Respectfully submitted,  
Laura A. Coruzzi

Date 8/18/95
